**FROM: Carola Walton, MSW**  
Program Director

**RE: A Weekend Getaway in the country**

Our children with critical illnesses depend on you for their very lives. Each and every day you give all that you have physically, emotionally and spiritually. What you do is so demanding that you may neglect your own needs and the needs of your own family.

**We would like to extend to you an invitation to have a weekend in the country.** This would be a time for you to get away from stress and simply relax and recharge. We invite you to come to our historic and picturesque village of Hope and stay in our attractive two-bedroom cottage at no cost to you. The cottage can comfortably accommodate up to five people. We simply want to say thank you for all that you do!

There's so much to do here in the fall and spring like fish for trout or bass, have a barbeque in the back yard, visit a farm and see the animals or explore our historic town or our nearby state parks, or go rafting on the Delaware River. In the winter there is skiing, ice skating and sledding. Camelback and Shawni and other Pocono ski resorts are all close by. And, in all seasons there are farms and animals to visit and also movie theatres, bowling and nearby factory outlets. Perhaps, you would prefer to curl up on the couch and read a book or watch a movie on TV.

Available weekends are listed in the attached schedule. To reserve your weekend at the cottage just email me at [carola@havenofhopeforkids.org](mailto:carola@havenofhopeforkids.org) or call me by phone (908-475-3644) and then complete and mail us the attached application form.

# The Cottage in the Village of Hope

For New Jersey the historic rural village of Hope is a picturesque four-season tourist destination with an abundance of local attractions and outdoor recreation opportunities. It is a rural area of rolling farm land and mountains. Just off Exit 12 of Interstate 80, Hope is one hour west of Newark and 15 minutes east of the Delaware Water Gap.
